WHAT?

Mass Timber Site Visit: We invite all design and construction professionals to a site visit to the Tryp Hotel building project in downtown Wellington

JOIN US on 7th April from 4pm. The Tryp Hotel is being re-developed with CLT. We invite you to a site tour 4-6pm followed by networking and refreshments at Pan Head brewery.

A Mass Timber Construction Site Visit – About this event: Redevelopment of existing 4 storey building with a 3-storey extension. From the ground to 4th floors are occupied by the hotel.

The top 2 floors are private residences. CLT is being used for the extension floors and roof. A curtain wall facade is being installed for the exterior walls and a Rondo Quietstud steel interior wall system.

Format: We will host a group of 60 visitors from 4 to 6pm for a site visit at the hotel. Following the site tour you are welcome to join us for networking at the Panhead Brewery.
